## Winesburg Antiques/Rose of Picardy

Winesburg Antiques is a family owned homegrown local business in Holmes County.

We have music, collectables, primitives, and railroad memorabilia. In addition, we have old ads ranging from Coco Cola to automobiles.

We carry all types of genre of books, some of them are over 100 years old. Some of the authors that we have are Nora Roberts, Mary Higgins Clark, Zane Grey, Horiato Algers, and Wilkie Collins to names a few.

We have magazines, crafts, glassware, furniture, toys, and miscellaneous items. In addition, we have Amish postcards and the 2012 Amish calendar.

The staff at Winesburg Antiques con-

sists of Joe Picard and Sherri Picard Nisly, who are the owners. Sherri's children Jocelyn, Jessie, and Jordan work at the store after school, weekends, and when there is no school.

Joe is retired from Goodyear Tire & Rubber Co. in Akron. Joe had a store in Millersburg called Rose of Picardy.

Sherri Picard Nisly, who is Joe's daughter, and her three children moved to Holmes County in May of 2011 from Massillon. She has an Associate Degree of Applied science in Early childhood Education Intervention Specialist from Stark state College of Technology.

We also take consignment and at this time, we have 10 vendors selling their items in the store. We are always looking

for more people to put items on consignment.

The store caters to everyone from the tourists coming in to Holmes County to visit and the local people that live and work in Holmes County.

Specific tourist bags are available with maps, articles and other information on restaurants and sleeping accommodations. These have been met with much satisfaction.

We have an Antique Bicycle Museum and Art Gallery down on the second floor. The bicycles are from 1934 on up. Glenn Wengert, who has a restoration shop in Winesburg, has restored them all. Agriculture

Museum will be opening soon.

Stop into Winesburg Antique and see what we have and say hello. And visit our Facebook for daily and monthly specials.

Winter Hours: Open Tues. thru Sat. from 10am till 5pm. Closed Sun. and Mon. Call us at: 330-844-7862.

### Stuffed Potato Skins

- 4 lg. baking potatoes
- Butter flavored cooking spray
- 1/2 C. finely chopped onion
- 1/2 C. chopped green pepper
- Hot sauce, to taste

- 2 T. buttery spread
- 1/4 C. bacon bits
- Salt and pepper to taste
- 1/2 C. sour cream
- 1 C. cheddar cheese
- Salsa (Optional)

Preheat oven to 450°F. Bake potatoes for 1 hour and 20 minutes. For larger potatoes, extend the cooking time to make sure potatoes are well done and skins are dry. For best results, bake potatoes a day in advance, refrigerate overnight, and then slice the following day. When ready to prepare the potato skins, preheat oven to 450°F. Cut each potato into fourths and hollow out all but 1/4 in. of the potato. You may use the remaining potato for another purpose, because it will not be used in the recipe. Spray each potato skin with cooking spray and set aside. Spray a non-stick skillet with cooking spray. Saute onion and green pepper. Add a few dashes of hot sauce for you taste, followed by buttery spread and bacon bits. Sprinkle in salt and pepper as desired. Stir until vegetables are transparent and ingredients are well combined. Remove from heat, mix in the sour cream and spread the mixture over the potato shell. Bake the shells uncovered for about 8 minutes. Remove shells from the oven and sprinkle equally with cheddar cheese. Continue to bake for 1–2 minutes or until cheese melts. Serve hot. Top with spicy salsa for added kick.

### Sauce Cake

- 2 C. flour
  - 1 1/2 C. sugar
  - 4 t. baking powder
  - 1/2 t. salt
  - 2 t. vanilla
  - 1 C. milk
  - 4 T. (1/4 C.) melted margarine
- Mix all ingredients together. Pour batter into 9x13-in. pan. Mix up one of the following sauces and carefully pour over batter.
- BUTTERSCOTCH**  
1 1/2 C. brown sugar  
3 C. hot water  
4 T. (1/4 C.) melted margarine
- ORANGE:**  
1 C. sugar  
1/4 t. salt  
3 C. orange juice  
1/4 t. lemon rind (opt'l)
- CHOCOLATE:**  
1 1/2 C. brown sugar  
1/3 C. chocolate Quik  
3 C. hot water
- ...and end up, after baking at 350°F for 35–40 minutes, with a thick sauce on the bottom with the cake floating on top of it! Wait 20 to 30 minutes before serving.

## Wayne Co. Story Continued

Sensation returns to the Village of Shreve. This peak spring bird migration event includes self-guided tours with experts located at help stations in the nearby Killbuck Marsh, Shreve Lake, Brown's Bog and Funk Bottoms wildlife areas. At the elementary school enjoy a full day of workshops and family-friendly activities. A list of this year's speakers includes: Naturalist Chuck Jakuchak speaking on Monthly Birds, and Flights for Life Butterfly Migrations with Cheryl Harner. The new supervisor for the wildlife area, Mike Ervin, will share his experiences with the Muskrat Population at the Killbuck Marsh and local birding columnist Bruce Glick will speak on Rare Bird Sightings in the Bobolink Area. Kimberly Kauffman will speak on her 30 years of research at the Black Swamp Bird Observatory and Kenn Kaufman will present a workshop on Spectacular

Sparrows. Admission is still just \$10.00 per person or \$15.00 per family and includes all workshops, family activities, and a map to the Help Stations. Doors open at 7:00am, Birder's Market Place at 8:00am and workshops begin at 8:30am and continue until 4:15pm.

The Secrest Arboretum & Gardens at OSU/OARDC in Wooster offers Guided Bird Walks throughout the year with the Greater Mohican Audubon Society. These walks are free and open to birders of all skill levels. Dates for 2012 include February 11, April 14, June 9, August 11, October 13 and December 8, all meeting in the arboretum at 9am. For more information visit the arboretum on line at secrest.osu.edu

So calling all Birders, seasoned or new...come to Wayne County to find out why it's called the GREAT outdoors!
