## Old Time Work, Celebrated Amish Style During Labor Day Weekend

Perhaps no community is better known for hard work than the Amish. Every harvest season, Miller's Furniture, Bakery & Bulk Foods gives back as appreciation for their blessings.

On September 4 during Labor Day Weekend, Miller's presents different looks into Yesteryear Americana. Their 2nd Annual Art Market features working American trades that are no longer mainstream. In addition, there are discounts and specials along with the 13th Annual Amish School Benefit Cookout featuring plenty of hamburgers, hot dogs, chips, fresh pie, homemade ice cream, coffee and soft drinks.

"The Art Market is really a neat thing and was a huge success in its first year," Said Daniel Miller. "We are excited to bring it back this year because it is a lot of fun for

everyone."

Resembling more of a heritage tour, a walk along the Art Market reveals a blacksmith pounding metal, a broom-maker weaving carpets, finished glass blown pieces, polished wood workings, a goat cheese maker, and other novelties. But there are also clothing designers, purse makers, painters, rock engraving, and someone custom designing corn hole bags. All of the vendors in the art market make or made their offerings themselves. Everything is authentic and original.

This crossroads in time continues at Miller's Bakery, Furniture and Bulk Foods where the Amish offerings are plentiful and diverse. You name it they have it. But if by chance they don't, they'll make it - just like they've been doing for generations.

Miller's Furniture Store provides a full-line of quality hand-crafted interior and outdoor furniture, including playhouses. Inside Miller's Bakery & Gifts Store people can watch as the fresh baked goods come out of the kitchen oven. Miller's Bulk Foods Store has a variety of special spices and ingredients to make just about anything. Their most popular items are the variety of meats, cheeses, jellies and homemade candy.

The Miller's are continuing the family tradition of more than 30 years by providing the best possible Amish baked goods, Amish-made furniture and Amish bulk foods. This authentic Amish family-owned and operated business attracts folks from hundreds of miles away. Recognizing and being grateful for those who have brought them good fortune, the Miller family strings

together a series of events at the end of every year to give thanks.

Through the end of 2010, the Millers special events calendar includes a benefit auction on September 24, the 33rd Annual Miller's Anniversary Customer Appreciation Day complete with barbecue on October 2, and Thanksgiving Sale November 26 & 27 followed by their end of year sale December 27, 28, 29, 30, 31, 2010 and January 1, 2011.

Miller's Furniture, Bakery & Bulk Foods is located at 960 Wheat Ridge Road in West Union, Ohio 45693. They are open 9am-5pm Mondays through Saturdays and closed on Sundays.
