Heini's Story Continued

Heini's is where the cheese is made. We invite people to watch and enjoy a free 15 minute tour of Amish cheese makers in the cheese making process. Heini's offers samples of 50 varieties of cheese, both domestic and imported. Thirty-six of those cheeses are made at Heini's. Heini's is known for its all natural yogurt cheese, a lactose-free cheese which contains live, active yogurt cultures. Because this cheese melts so well, spreads evenly, and browns up beautifully, it has become a favorite with cooks and chefs in kitchens all across the country. Recipes featuring this specific cheese are in Heini's

Yogurt Cheeselovers cookbook, available at the cheese house. Other varieties of cheese range from swiss and cheddar to goat milk and gouda. For a free tour, call the cheese house to schedule a time that is convenient for you.

Heini's Cheese also offers a bulk store featuring over 100 spices, corn meal and homemade jellies and jams. Homemade fudge and old fashioned candies are available in Heini's candy shop, while two gift shops offer visitors a variety of gifts including cookbooks and amish country souvenirs. For more information or to hear the story of

Heini's via video, visit us online at www.heinis.com or call 330-893-2131. You will also find a listing of all the cheeses and how they can be ordered online and sent right to your front door. Heini's Cheese is located on County Road 77 north of Berlin.

Heini's is thrilled to be a part of the Sugarcreek community as well. Heini's Gourmet Market, located on State Route 39, displays only Ohio artisan products such as artisan cheeses and unique homemade breads, hosts gourmet cooking demonstrations by Ohio's culinary experts and offers custom cheeseballing. The Buckeye Wine Gallery within the Market features Ohio wines from over 100 vineyards with persons available to help you pair your favorite wine and cheese. The Market also offers free samples, provides a cozy atmosphere for lunch at the L & L Bistro, and provides live musical entertainment on the weekends. The Market is home to the annual

Oktoberfest the second Saturday every October featuring German cuisine, music, and festivities. For those whose family and friends would like a taste of Ohio's finest, Heini's offers an array of gift baskets to take along home to enjoy. For more information about Heini's Gourmet Market, visit www.heinismarket.com or call 866-531-OHIO.
